W.P.(C) No.15357 of 2007

Dated this the 23rd day of May, 2007.

JUDGMENT

Heard counsel for the petitioner and Standing Counsel for KSEB. Since there is already 11 KV line and the present low tension line is beneath the same, there is no scope for ordering shifting of the line. However, the second respondent is directed to maintain sufficient clearance from the ground to prevent any accident. The W.P. is disposed of as above.
